MRS. MEIR SPEAKS

A Hushed Parliament
Hears Her Assail
'Lunatic Acts'

By TERENCE SMITH

Jerusalem, Sept. 5—Her voice hoarse and trembling with emotion, Anwar Ghitto, Meir's son-in-law, denounced "lunatic acts" of terrorism, abduction and blackmail, which he said would ruin the life of the Jewish people.

Speaking to a hushed and somber parliament before the fall of the Jewish hostages held captive in Munich, she said, "It is inconceivable that the Olympic games should continue as long as our citizens are under the threat of being murdered in the Olympic Village."

She called on all the nations participating in the Olympic Games to "withdraw its army" to ensure the safe return of the hostages.

Guerrilla Raid

By HAROLD GOWEN

Special to The New York Times

BEIRUT, Sept. 5—Guerrillas captured in Israel's Olympic team and four Arab terrorists were killed yesterday in a 23-hour drama that began with the invasion of the Olympic Village by the Arabs. It ended in a phony attack on a military camp, where 11 Arab men and 10 Arabs were preparing to fly to Cairo with four Israeli hostages.

The first two Israeli were killed early yesterday morning when Arabs surrounded, armed with automatic rifles, Arabs from the quarters of the Israeli team and seized four others as hostages. The hostages were killed in the airport shortly before the Arabs and German policemen and soldiers.
