

**UIA-HYP CUP 2014 UNDER THE LEADERSHIP OF MEINHARD VON GERKAN
INTERNATIONAL STUDENT COMPETITION IN ARCHITECTURAL DESIGN.**

The School of Architecture and the University of Tianjin and the Chinese press group, Urban Environmental Design (UED), have announced the fourth edition of the annual international competition open to students of architecture world wide: the UIA-HYP Cup 2015. The competition is organized with the endorsement of the UIA.

In keeping with the general theme of the competition, German architect Meinhard von Gerkan has defined this year's program: "Place, Tradition and Modernism in Conceptual Unity and Diversity." The projects should address science in the contemporary world and use culture, geography, landscape and climate as references points. Two sites in northern China and one in the south have been suggested to the competition participants. They may also choose the site for their project.

Meinhard von Gerkan will preside over the jury alongside Chinese architect Cui Kai, who will represent the UIA.
